

A SERVICE AGENCY IN MANY WAYS

For all your tourist needs we aim to organize the best possible holiday, helping hoteliers to give an elite service, supporting travel agencies and tour operators who want to be sure of giving a tailor-made holiday to their clients. This service includes: planning of special events, organization of excursions and sightseeing, as well as transfers by car, boat and private planes/helicopters.

We can also help you with the maintenance of your homes and properties, such as organizing renovation works, interior design and garden planning; we can take care of all the bureaucratic and tax burdens, as well as legal matters.

Avatar srl was created with the idea to connect several professional and local services in order to ensure a wide range of high-quality services for all kind of demands.

Event & Planner

Over the years we have organized weddings, theme parties, conferences, with the collaboration of event and wedding-planners, florists and Local Authorities. Each event was unique and unrepeatable.

Nothing says 'Italy' more than the food. You too can experience the real Italy and the intense pleasure of true Italian fine dining thanks to catered meals, cookery courses and more, prepared by our professional gourmet chefs and all in the privacy and comfort of your villa or in other house or building rented for the special Event

Catering or Private Chef & Decoration

For a memorable and unique experience that will make your holiday, our licensed chef will come to your villa and cook a mind-blowing meal for you. He does all the cooking, table service, and cleaning afterward, so you will have a full restaurant service all in the beautiful and private surroundings of your own villa. You can choose from a variety of set menus or build your own choosing from all the available dishes, or ask the chef for your own favorite dishes, even if not on our proposed menus. Standard service provides that all guests have the same dishes, but different settings can be agreed directly with the Chef.

Personal Barman

Enjoy the best of our local wines, together with our expert Sommelier and a fantastic tasting buffet prepared by our chef. Learn the Sommelier's secrets to truly taste and appreciate the various aspects of the different wines. You may also buy the wines and have them shipped straight to your home. The best of local wine tasting in the privacy of your villa, and nobody has to drive! The wines in this area get a lot of attention, but did you know that we also have some fabulous and typical Cocktails? Then if you are interested you will be led through a tasting experience sampling a range of different Cocktail styles and paired with freshly and specifically selected foods.

Interpreters

Our interpreters can guide you on outings, translating into English, German, French, Chinese or Japanese so you never have to be confused or in the dark again, and you can be sure not to miss out on all the details of the places you are visiting.

Add an interpreter to any of your activities, and don't miss any important information because you are not able to understand the language. Our interpreters are both mother-tongue English, raised in Italy with perfect Italian.

Personal Guide

Enjoy the best of the region in comfort and safety: Lake Garda, Venice, Milan, Verona, Florence, Portofino, Amalfi, Cortina, Madonna di Campiglio and Monte Carlo. So much to do, so little time!

Patrizia Sasso is a Professional Guide, she speaks Italian, English, German and French and she can offer you unique and special excursions either on foot, by car, by boat or by helicopter. She has been featured and interviewed on important German television programs featuring the region.

Special Tours

Avatar srl is also involved in the organization of trips and excursions, to give our customers the opportunity to get to know the area of Lake Garda and the surrounding cultural cities. From Milan to Venice you can visit several fascinating towns such as Verona, Vicenza and Padua, but also Cortina, in the magical Dolomites. Discover with us our tailor-made trips, some of which include beautiful boat trips and itineraries in the mountains.

Avatar-service, thanks to a network of reliable and qualified partners, offers one of the best selections of luxurious villas in the most beautiful destinations of Lake Garda and the Mediterranean. From Garda to Verona and Venice to Sardinia and France, from the Amalfi Coast to the exclusive Island of Capri. Consult us to find the villa of your dreams

Wine Tasting & Tours

Avatar Wineries Tour: Our Chauffeur will pick you up and take you to appointments in 3 different local wineries, where you will be greeted by the vintners, offered a tasting of their various products, and invited to buy their wines at special discount prices.

Transfer with Driver

We organize private transportation by car or minivan from/to all nearby airports, trips to places of interest, as well as luxury cars with driver for leisure and business.

We guarantee punctuality and reliability Or you can experience the thrill of traveling with a luxury vintage car. You can also request other cars. The minimum service includes a professional driver (you may drive, accompanied by the professional), or the Full Assistance Service, which includes a second team in a second vehicle.

Transfer with Helicopter

Do you need to book a helicopter or a private flight? Through two important and reliable local agencies, we are able to offer our guests journeys on exclusive jets all over the world. We are also able to organize flight transfers with very short notice. For short distance journeys, or where it is impossible to land a plane, we rely on an important agency with twin-engine helicopters with two pilots on board.

Transfer with Boat

Attending glamorous events, exclusive meetings and unmissable exhibitions from a luxury boat is deciding to live a unique experience.

Avatar- Service will guide you in the choice of the best boat to discover the beauties of Lake Garda with a dedicated guide in a private tour. Beyond Lake Garda, we offer event organization on boats at Monte Carlo and Portofino. Reaching the yacht harbor comfortably and with no stress whatsoever is the first step for the perfect holiday.

Some people choose to rent a yacht to discover the secrets of the chosen destination's coasts while gifting themselves with unique moments of relax on the sea or on the lake with vintage or newly manufactured Riva boats. To this you can add the comforts and the climatized spaces of a luxurious villa to spend the rest of the day.

Free Time

The PERSONAL SHOPPER is a great help to save time and money, allowing you to buy what you are looking for, respecting your style and image needs, as well as the budget you have established.

Our expert designer shopper will take you to the most exclusive boutiques and private showrooms giving you the finest design shopping in the area in one easy and painless outing. Our personal shopper, **Rosmarie**, is an expert in fashion, design and modern culture. She is specialized in high-end luxury destinations and services in the area. She collaborates with international councils for luxury-oriented events.

Avatar Service is proud to be able to offer a comprehensive range of high-quality childcare with a professional BABYSITTER

Our fully qualified PERSONAL TRAINER and YOGA & PILATES Professionals will give you a challenging workout that relaxes and energizes, at any level of experience, from beginner to expert.

They will bring all the accessories needed, but please provide your own mats (or towels).

Housekeeping & Laundry

You're on holiday and as such you might well want to save as much time as you can to have fun, so why don't you get someone else to do all the chores for you! Our professional cleaners can clean the whole house, or just the areas you need. They can change the linens, and help you with laundry and dry cleaning. They can do your ironing, and help unpack your luggage and pack it up again at the end of your stay. Our professional cleaners will come and clean as much or as little as you need.

There are also annual or semiannual contracts for cleaning and tidying or control at check in and check out staying in private homes.

Stocking Groceries

Come home to find it already fully stocked with your groceries. Just send us your grocery list and we will do it all for you. Avoid the hike to the supermarket and back with heavy bags.

Just give us your shopping list, including quantities and varieties (e.g.: full fat milk, 2 liters.

Strawberry yoghurt, 1 liter) and we will do your groceries for you and deliver them to your villa.

Perfect for villa stocking before your arrival but also during your stay so you can avoid the chore of shopping and spend your time having fun and relaxing instead.

Property Purchase & Sale

Avatar srl offers full support and advice in buying/selling properties, as well as renovating and maintaining your homes.

We have a professional team organized to take care of gardens and homes also in your absence. Monica Tessarolo

(CEO Avatar srl) is an Architect and she has an Architectural Firm founded in Italy in 2000. Avatar-service is formed by a team of professionals in the legal, fiscal and architectural sector in order to ensure a complete service before, during and after the purchase of a house in Italy and making sure that the investment is based on the real needs of the foreign client. Legal, urban and fiscal control of the offer of sale is managed by partners or other operators, to ensure quality assistance in the purchase, restoration and maintenance of the property.

Care and Maintenance of the house

In addition to ordinary and extraordinary cleaning services of your house you may need some small home maintenance interventions.

How many times have you looked for a trustworthy person who was willing to help you with small and large interventions on your home without knowing who to call?

Avatar srl offers a selected team of craftsmen and professionals who operate in different sectors: plumbers, electricians, carpenters, stonemasons, painters, gardeners and handymen.

Architectural

With any project the starting point involves the analysis of the local culture and values of the locals. Thanks to the advanced technologies which allow to express the starting idea without any limitation, this analysis of the context leads to the designed vision, translated in harmonious form. The knowledge of the context includes a good relationship with the customer, the use of new technologies which allow the firm to obtain maximum results in different design spheres and scales such as: large-area master plans, residential buildings, commercial zones, offices, directional, interior design of environments, with custom-made measures and maximum attention to details.

Interior Design

Our design philosophy stresses a close link between the disciplines of art, architecture and interior decoration. The end results are rich environments defined by sophisticated color palettes, refined materials and detailing that tailor these interiors to suit our clients' needs.

Avatar srl is committed to coordinating the design efforts with an organized and well-managed project that consistently exceeds clients' expectations.

Avatar's pursuit of excellence through sustainable, environmentally-friendly design and a civilized and enjoyable public domain are seen as fundamental to long-term success of our architecture and design.
